**I got the Blues... I got the Blues... and Not just any Blues
The Mermaid blues**

So I'm Going Down.... Down... Down To Portsmouth town....

**Over the bridge.... Across the State line
That black top road gets me there on time
So I'm Going Down.... Down... down To Portsmouth town....**

**The Mermaid Sign ..tells me I found my place
I Step inside and there's that ...Smoking Grill
There's beer glasses chilled
Music fills the air
Now I've lost my cares.....**

**Now if you got the blues.. I said if you got the blues
If you got the blues ... Those funky Blues...
Just head on down....down....down to the Mermaid
Down.. down.. down to the Mermaid
Down.. down.. down to Portsmouth town...**

The Mermaid blues**

So I'm Going Down.... Down... Down To Portsmouth town....
